ADDENDUM NUMBER 1

BID TITLE: FURNISH AND INSTALL TIMBER PILES AND HEAVY TIMBER PILE CAP FOR OUTSHORE SUPPORT OF PIER AT BLACK'S CREEK

BID DUE : December 8, 2010 @ 11:00 A.M.

PLEASE NOTE :

Addendum #1

The following questions have been raised regarding this bid and the City's response is as follows:

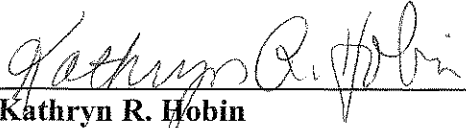

Q. What is the completion date for this project? The specifications have outlined certain temperature guidelines and the cost to meet these in the winter would be significant.

A. The City of Quincy needs the pier in place by **APRIL 15, 2011 without exception. If the contractor wanted to work during the winter, we would not object, as long as the cold would not adversely affect the quality of the work.**

Please Note: It was brought to our attention that a vendor found it difficult to read the numbers on charts B-1 and B-2. Please find attached an enlarged versions of these charts.

Thank you.

PLEASE SIGN THIS SHEET AND ATTACH IT TO YOUR BID, AS IT IS NOW A PART OF THE BID.

Kathryn R. Hobin
